

Keith Greenwood, Ph.D.

Curriculum Vitae

ORCID: 0000-0001-8809-2760

Scopus: 55386063000

Qualifications

- Teach journalism/mass communication classes and publish original research in university setting.
- Supervise student-led research.
- Administrative experience as assistant director and technology coordinator of ACEJMC-accredited college of journalism and mass communication.
- Coordinate departmental efforts to upgrade and implement technology.
- Manage departmental computer labs and broadcast facility and provide “help desk” support to faculty, staff and students on Macintosh and IBM-compatible computers.
- Experienced with use of a variety of software for image processing, print and web design, video editing, web/email/file server administration in addition to word processing, spreadsheet and presentation.
- Professional experience in newspaper and radio reporting, still and video photography, video editing, publication design, World Wide Web design and electronic engineering.

Education

Ph.D., School of Journalism, University of Missouri – Columbia, 2006.

MA, School of Journalism, Michigan State University, East Lansing, 1992.

BA, Northeast Missouri State University, Kirksville, 1984.

Poynter Institute for Media Studies, St. Petersburg, Fla.

Fellowship, 2000, Tracking Web Usability seminar.

Fellowship, 1991 Media Management and Entrepreneurship Program.

Teaching and Administrative Experience

School of Journalism

University of Missouri - Columbia

September 2014 – present Associate Professor

August 2008 – August 2014 Assistant Professor

Co-director, Angus and Betty McDougall Center for Photojournalism studies, August 2018 - present

Appointed to graduate faculty and doctoral faculty.

Conduct research and teach classes in photojournalism and journalism studies at the undergraduate and graduate levels, including photojournalism skills and history, photography's function in society, mass media seminar, qualitative research methods and doctoral student professional development.

Gaylord College of Journalism and Mass Communication

University of Oklahoma,

August 2006 to July 2008 Assistant Professor

Teach classes in journalism sequence, including Introduction to Mass Communication, Journalism History, Multimedia Journalism and Interactive Multimedia Design.

School of Journalism

University of Missouri - Columbia,

August 2003 to July 2006 Graduate instructor/assistant

Taught History of Photojournalism, Electronic Photojournalism and Qualitative Research Methods in Journalism; maintained digital archive of winning images from Pictures of the Year International competition.

Gaylord College of Journalism and Mass Communication

H.H. Herbert School of Journalism and Mass Communication, University of Oklahoma,

August 1998 to July 2003 Assistant Professor, Computer/Technology Coordinator.

Taught classes in journalism sequence, managed three Macintosh computer labs, including hiring staff and scheduling lab use; managed broadcast facilities, including administration of four Avid non-linear editing systems and hiring student staff; developed plans and budgets for new technology and lab upgrades; maintained web site and server; provided hardware and software support to faculty and staff.

August 1999-August 2001 Assistant Director. Scheduled course offerings, developed summer teaching budget, stood in for dean of college at meetings when necessary.

Pre-collegiate Programs, University of Oklahoma, June 2000, 2001, 2002

Taught digital photography workshop to high school students/advisers. Coordinated technical needs of workshop.

College of Communication Arts and Sciences, Michigan State University, July 1997 to July 1998.

Information Technology Manager. Responsible for management of six Macintosh computer labs and college audio and video studios, including hiring staff and scheduling lab use; college liaison for MSU Computer Laboratory; develop plans and budgets for new technology and lab upgrades; maintain college web site and server; maintain faculty and staff computers; provide hardware and software support.

School of Journalism, Michigan State University.

June 1989 to July 1998 Specialist. Responsible for teaching lab and lecture courses; internship, scholarship and job placement; broadcast electronic engineering; computer and network maintenance; and administration of J-School World Wide Web site until appointment as college Information Technology Manager. Also served as J-School photographer, darkroom manager and newsletter editor.

September 1986 – May 1989 Graduate assistant teaching newswriting labs, radio news labs, editing and basic photojournalism.

Michigan Interscholastic Press Association, July-August, 1997.

Coordinated use of computer labs in College of Communication Arts and Sciences for annual summer workshops for high school journalism students and faculty, including software setup. Set up computer lab for workshop publication. Taught photography and video workshops in previous summers.

Panelist, "Photojournalism and the Internet: Problems and Possibilities." Association for Education in Journalism and Mass Communication at the 2005 annual convention in San Antonio.

Using flash seminar and participant in panel discussion of converting to digital photography to Association of Texas Photography Instructors, Austin, Texas, Feb. 22, 2003.

Digital photography seminar. Association of Texas Photography Instructors, Austin, Texas, Feb. 16, 2002.

Internet searching seminar, Oklahoma Private Investigators Association, Stroud, Okla., March 23, 2002.

Moderator, "From Vitae to Interview: Hot Tips on Getting a Job in Academe," Broadcast Education Association annual convention, April 2001.

Continuing Education

Power Shift Project. Workplace Integrity Workshop sponsored by Freedom Forum Institute. Fall 2019

"Online Teaching Foundations" University of Missouri course in online pedagogy and effective teaching strategies. Summer 2019.

Funding Received

External

Ethics and Excellence in Journalism Foundation grant to fund acquisition of iBook computers, cart and wireless networking for portable computer lab and digital video cameras to support television newscast at OU College of Journalism and Mass Communication, \$71,822. Awarded Spring 2003.

Ethics and Excellence in Journalism Foundation grant to fund acquisition of digital still and video cameras for photojournalism course at OU College of Journalism and Mass Communication, \$71,974. Awarded Spring 2002.

ASJMC grant for participation in Broadcasters-In-Residence program, \$12,000, Fall 2000. In return for funding, presented internet searching seminar for news department of KTRV-TV, Nampa, Idaho, Jan. 2001.

Ethics and Excellence in Journalism Foundation grant to fund file/web server upgrade for OU School of Journalism and Mass Communication, \$5,700, Fall 1999.

Internal

University of Missouri Arts & Humanities Small Grants Program for archival research at the Library of Congress, \$500, Summer 2012.

Travel funds from OU vice president for research to travel to AJHA convention, \$400, Fall 2007.

Travel funds from OU vice president for research to travel to BEA convention, \$275, Spring 2000.

Associates funds to upgrade student computers in OU School of Journalism and Mass Communication library and to augment projection capabilities in OU JMC computer labs, \$9,000, Summer 1999.

Co-wrote successful proposal for funding of Michigan State University School of Journalism computer lab upgrades, Spring 1995.

Teaching

Awards

Writing Intensive Teaching Excellence Award, Campus Writing Program, University of Missouri, 2015-2016 academic year.

Student Awards for Work Completed in Courses

"Raymond Gray: MMA Fighter and Trainer." Multimedia story by Mackenzie Bruce. Dean's Award for multimedia enterprise reporting. Mastering the Method Competition, University of Missouri School of Journalism.

"On the Set of 'A Stroke of Genius.'" Interactive multimedia project by Michelle Lucchesi. Third-place award. Broadcast Education Association 2007 Festival of Media Arts.

"An Online Storybook." Interactive multimedia project by Jennifer Rickard. Second-place award. Oklahoma Broadcast Education Association 2007 student competition.

"OSM Fall Media Day." Interactive multimedia project by Alyssa Loyd. Third-place award. Oklahoma Broadcast Education Association 2007 student competition.

"Adrian Peterson." Interactive multimedia project by John Hales. First-place award. Oklahoma Broadcast Education Association 2006 student competition.

"WTA Tournament Accommodations." Interactive multimedia project by Gabrielle Baker. Second-place award. Oklahoma Broadcast Education Association 2006 student competition.

"Nancy Clark School of Dance." Interactive multimedia project by Laura Brown. Third-place award. Oklahoma Broadcast Education Association 2006 student competition.

Courses Taught

Photography in Society

Graduate seminar concerning role and function of photography with focus on aesthetic/structural aspects and the cultural, political and social dimensions that affect its production and interpretation. (MU)

Qualitative Research Methods

Graduate seminar with overview of various methods along with role of theory and philosophical perspective in shaping research. Taught in both traditional classroom and online presentation. (MU)

History of Photojournalism

Lecture/discussion-style course with enrollment of 40 students. Undergraduate/graduate overview of history of photojournalism from development of photography to present with emphasis on technological innovation and cultural factors affecting photojournalism. (MU)

History of American Journalism

Lecture-style course. Undergraduate overview of the history of journalism and strategic communication in America from colonial period to the 21st century. Emphasis on evolution of practice and technology to contemporary issues and practice. (MU)

Fundamentals of Photojournalism

Lecture/lab course. Introduces camera handling, photographic composition and aesthetics, lighting digital image processing and printing from photojournalism/media communication perspective. Students progress from basic single images to multi-image photo project. (MU)

Electronic Photojournalism

Lab course with enrollment of up to 14 undergraduate and six graduate students. Focus on multimedia presentations consisting of photographs and audio and web presentation of photographs. (MU)

Mass Media Seminar

Graduate seminar with overview of roles and problems of media in society, introduction to theory and application to research and practice. Initial course in master's program. (MU)

Philosophy of Journalism

Graduate seminar addressing philosophical issues forming the foundation of journalism practice. Topics include normative roles of Western media and options for publication outside mainstream media. (MU)

Doctoral Research Seminar/Professional Development

Graduate seminar addressing practical aspects and expectations beyond degree completion. Topics include developing a research focus, obtaining research funding, publication and tenure process. (MU)

Journalism and the Arts: Key Concepts of the Renaissance

Six-week study abroad program of School of Journalism conducted in Florence, Italy. Students explore Renaissance impacts in arts and recognition of concepts in contemporary arts. (MU)

Interactive Multimedia Design

Lab course with enrollment of up to 15 undergraduate and graduate students. Focus on html and interactive content design for web or fixed media. (OU)

Multimedia Journalism

Lab course with enrollment of up to 15 students. Focus on skills and techniques needed for students with newswriting experience to tell stories in multiple media formats. New course developed as part of journalism curriculum redesign. (OU)

Basic Photojournalism

Lab course with enrollment of up to 18 students. Focus on camera handling, photographic composition and aesthetics, black and white film developing and print making, negative scanning, digital photography and image processing. Students progress from no photographic skills to production of broadsheet photo page. (MSU/OU)

Advanced Photojournalism

Lab course with enrollment of up to 18 students. Focus on assignments representative of daily photojournalism and long-term photo essay work, lighting, digital scanning and convergence with video. (MSU/OU)

Electronic Newsgathering Techniques

Lab course with enrollment of up to 15 students. Focus on visual storytelling through the use of field videotape equipment and lighting. Linear and non-linear editing techniques. (OU)

Photo Communication in England and Scotland

Five-week course taught by Michigan State University School of Journalism. Students meet with photographers, educators and curators in England and Scotland to learn about photographic history and present practice. Students produce individual photographic projects over duration of program. Led program in July/August 1991 and 1993.

History of Journalism

Lecture-style course with enrollment of 200 students. Undergraduate/graduate overview of history of American journalism from colonial period to present. Emphases on technological innovation and cultural factors affecting journalism. (OU)

Images and Messages

Lecture-style course with enrollment of 50 students. Historical approach to visual communication, comparing and contrasting photography, film, television and computer-generated images and their effects on each other. (MSU)

Introduction to Mass Media

Lecture-style course with enrollment of 150-400 students. Course focuses on mass communication process and specifics of U.S. mass media and their roles in society. (MSU/OU)

News Writing

Lab course with enrollment of up to 18 students. Focus on basic print news writing principles including leads, inverted pyramid and chronological construction, interviewing and covering speeches. (MSU)

Broadcast News Writing

Lab course with enrollment of up to 18 students. Focus on broadcast news writing principles, gathering and usage of actualities, newscast preparation and delivery and long-form reporting. (MSU)

Writing for Broadcast

Lab course with enrollment of up to 15 students. Focus on writing news, advertisements, public service announcements and scripts for informational and entertainment programs in broadcast form. (OU)

Editing

Lab course with enrollment of up to 18 students. Focus on examination of reporter stories for errors of fact or grammar or missing information, headline writing and page layout. (MSU)
